Dear Mr. [Redacted]

STAT

Here, as promised, is the transcript of our conversation several weeks ago concerning Richard Helms and Congress. In going over the transcript I was pleased by the amount of information it contains which will be helpful for our project. A good portion of this is material that will not show up in the written records that have been retained by the Agency. As a consequence, your willingness to share your recollections with us is all the more appreciated.

Please feel free to make changes that you feel would clarify the meaning of the transcript or amplify a particular point you were making.

I am enclosing a self-addressed envelope that you can use to return the transcript once you have finished going over it. If you have any questions about it, please feel free to call me at [Redacted]

I greatly enjoyed our chat together. Again, please be assured of our gratitude for all your help.

Sincerely yours,
